MEMORANDUM FOR JUDSON INDEPENDENT SCHOOL DISTRICT
ATTN: JISD Administration
Campus Principal

FROM: Lawson Plummer, Owner / Instructor
5530 Walzem Road
San Antonio, TX 78218

SUBJECT: Request for Publication and Distribution of Martial Art School Information

1. This is a request for dissemination of our Martial Art School flyer. Our training facility is located at 5530 Walzem Road, which is just outside the Judson Independent School District. Many of our students are a part of the Judson Independent School District and we would love to offer the opportunity for more students from the district to take part in our martial arts program. We would like the approval to supply information on our classes to those individuals who attend schools within the area. Classes are available to individuals ages 3 and up. Attached is the flyer we are interested in distributing.
2. As a part of Kuk Sool Won™ of Walzem showing the appreciation for the JISD, and being that we are a for profit entity we are willing to propose a “giveback” to the school(s) where the flyers will be distributed. Kuk Sool Won™ of Walzem believes in partnerships and would love to partner with schools in JISD. We would love to offer the distributing school(s) a 15% giveback for the duration of the students contract, for each student that joins our program.
3. Owners/Instructors of the school are Mr. Lawson Plummer and Mrs. Jennifer Plummer. Mr. Plummer is a fifth degree black belt who has been practicing Kuk Sool Won™ for over 20 years. He has participated in many tournaments and put on numerous demonstrations to showcase the art. He has also hosted several self defense seminars for military members, spouses, and local emergency response units. His past military experience is evident by the discipline and values he instills in every one of his students. He is a living witness that training keeps the mind, body, and soul operating at its full potential. Mrs. Plummer is a fourth degree black belt and has been active in Kuk Sool Won™

since 1999. She is currently in the Air Force Reserves and helps students develop values of respect, integrity, and perseverance. Together their hard work and dedication to teaching has been the sole reason their facility has been the number one “Top Points” winning Kuk Sool Won™ school in the San Antonio area for the past five years. Kuk Sool Won™ of Walzem believes in Black Belt Excellence, not just in martial arts, but in life.

4. On behalf of Kuk Sool Won™ of Walzem and the World Kuk Sool Won Association, thank you for considering our request. If you have any further questions or need additional information.
